on another voyage of discovery...

Hi I'm Randy Lewis, a native of Canada. So, how the heck did I end up in Lahinch? The answer to this is actually quite simple; I love to travel! My favourite thing about travelling is finding flavoursome foods and ingredients from around the world that I can bring back to Randaddy's and use in my

recipes. I guess this is what makes Randaddy's such an awesome eating experience.

But I'll let you decide for yourself ...enjoy!
